Mr. Richard Helms
Director
Central Intelligence Agency
Washington, D.C.

Dear Mr. Helms,

Thanks very much for the reply to my letter and the enclosures which helped me to get a more complete idea of how you feel about the activities of your agency. I imagine the members of the Spanish Inquisition justified themselves as fully and believed their cause as just. However, the fact remains that both you and they are accessories to murder, subversion, and other criminal acts. I do not believe the ends justify the means.

We heretics are a stubborn bunch.

Sincerely,
